R5SL

LIGHTWEIGHT MULTIPURPOSE HELMET

CERTIFICATION

NFPA 1951:2020, NFPA 1977:2016,
ANSI Z89.1:2014, EN 397:2012,
AS/NZS1801:1997

R5SL OVERVIEW

1. **DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell** is 20% lighter than thermo plastic equivalent. Shell provides integral strength, excellent penetration protection, excellent chemical resistance, UV resistant and heat resistant, expected service life of 15 years with proper care and maintenance.
2. **Easi On-Off Base (EOB)** for torch (optional). Easi Glide Torch Holder and torch sold separately.
3. **Premium Reflective Trim** (optional, standard dependent) with high retro-reflectivity for increased visibility.
4. **Earmuff Brackets** for using helmet mounted ear protection (optional).
5. **Unique full cranium polyurethane liner** provides an excellent thermal barrier and superior shock impact absorption.
6. **3-point Polyester Chin Strap.** Single handed adjustment at multiple locations for maximum comfort and stability.
7. **Front and Back Bungees** (Optional).
8. **Customised Vinyl Front Badge** to your brigade's design (optional, not pictured).
9. **Pacific Quick Release Buckle** can be easily secured, released, and adjusted with a gloved hand.
10. **Optional Front Brim** can be removed to reduce the size even further.

11. **6-point ribbon suspension system with padded air mesh** distributes helmet weight evenly for added comfort over prolonged use, provides good ventilation, and a secure fit culminating in high stability on head. Fully modular for easy decontamination and replacement without special tools.
12. **Pacific ratchet adjustable headband,** sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear leather padding. Headband and nape band can be height adjusted to suit you.

Other Optional accessories available:

Goggle posts, goggle straps to secure goggles

Water Release Holes available

Flame Resistant Neck Protector (water proof or padded variations available).

Design is subject to change without notice as per Pacific Helmet's policy for continuous development and improvement. Certification is dependent on configuration.
